# SOLUTION FOR LIQUID BOTTLING

## 液体灌装解决方案

As a leading solution supplier of liquid packaging industry, Suzhou Yaoshi Machinery Co., Ltd. holds certificates like ISO9001, CE and SGS, has independent R&D unit of technology, and may offer turnkey solutions composed of combi-block, bottling, labeling, packaging, palletizing and processing machines for water, juice, tea, energy drinks, carbonated soft drinks, beer, liquor, milk, edible oil, liquid food and daily care products, packed in plastic, glass or aluminum bottles and cans.

We are not only a professional filling equipment manufacturer, but also design solutions consulting, installation and commissioning, technical training, equipment upgrades, plant construction, equipment layout, circuit layout and equipment operation solutions. Our equipment is well designed, easy to use and easy to manage. Whether you need a machine or a complete filling and packaging system, we have rich experience to ensure that your project is successfully completed.

# OUR PRODUCTS

## 产品介绍

### Washing Filling Capping 3-in-1 Machine

清洗、灌装、封口三合一机组

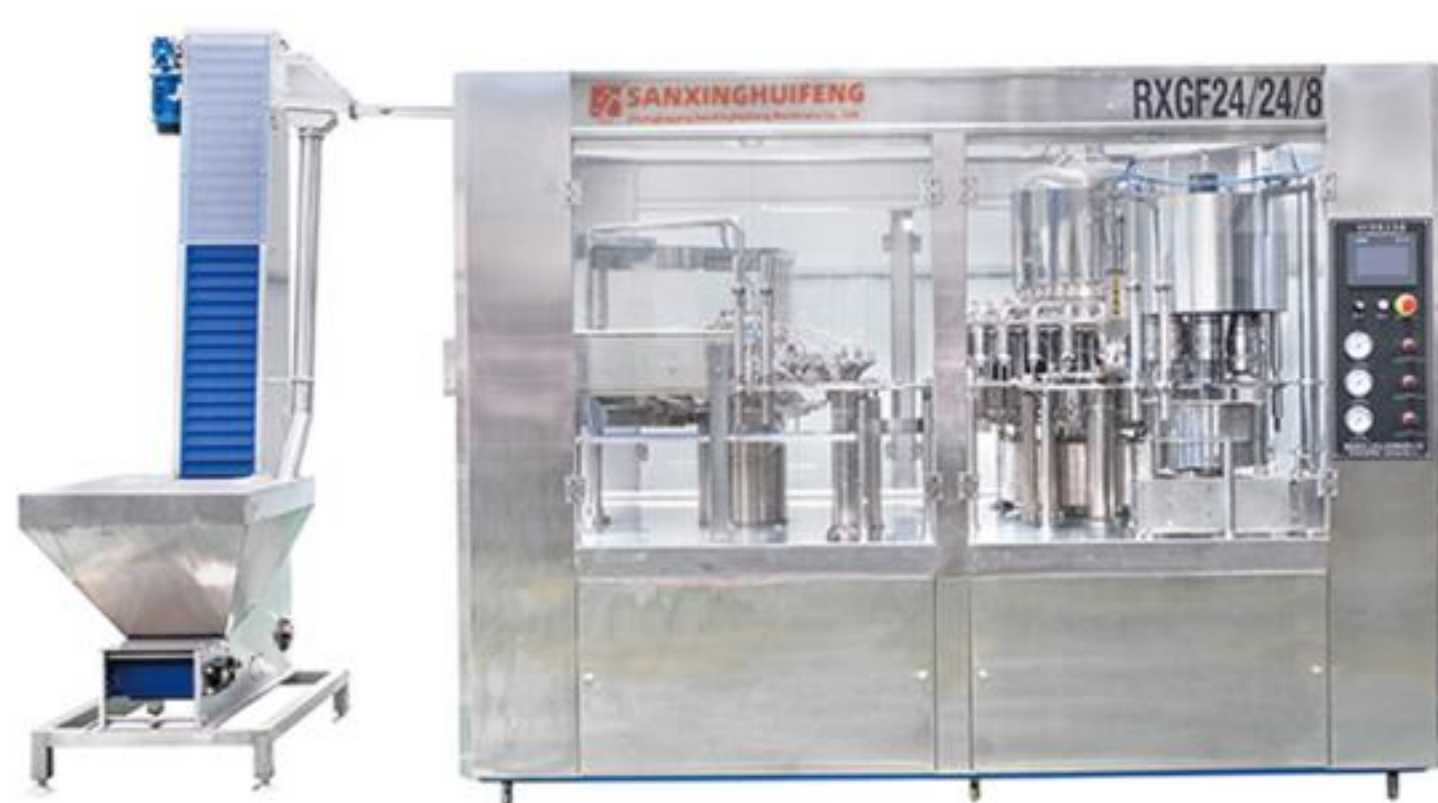

#### DXGF Series Carbonated Beverage Filling Machine

**Capacity:** 1000BPH-48000BPH

**Products:** CSD, sparkling wine, beer, etc.

**Container:** PET、Can、Glass bottle , etc.

#### RXGF Series Hot Filling Machine

**Capacity:** 1000BPH-48000BPH

**Products:** Juice, Soups, Spread, Flavored water, Vegetable drinks, Sports drinks etc.

**Container:** PET、PE、Can、Glass bottle , etc.

#### CXGF Series Liquid Filling Machine

**Capacity:** 1000BPH-48000BPH

**Products:** Water, Milk, Oil, daily care products, etc.  
Gas-free and odorless liquid

**Container:** PET、PE、Can、Glass bottle , etc.

# OUR PRODUCTS

## 产品介绍

### 5L-20L Liquid Filling Machine

**Capacity:** 100BPH-3000BPH

**Products:** Water, Oil, Daily care products, etc.

**Container:** PET、PE ,etc.

### Gallon Water Filling Machine

**Capacity:** 100BPH-1200BPH

**Products:** Purified water,  
Mineral water, etc.

### Plunger type Sauce Filling Machine

**Capacity:** 100BPH-1200BPH

**Products:** Sauces, jams, honey, syrups, health products, etc.

**Container:** PET、PE、Can、Glass bottle , etc.

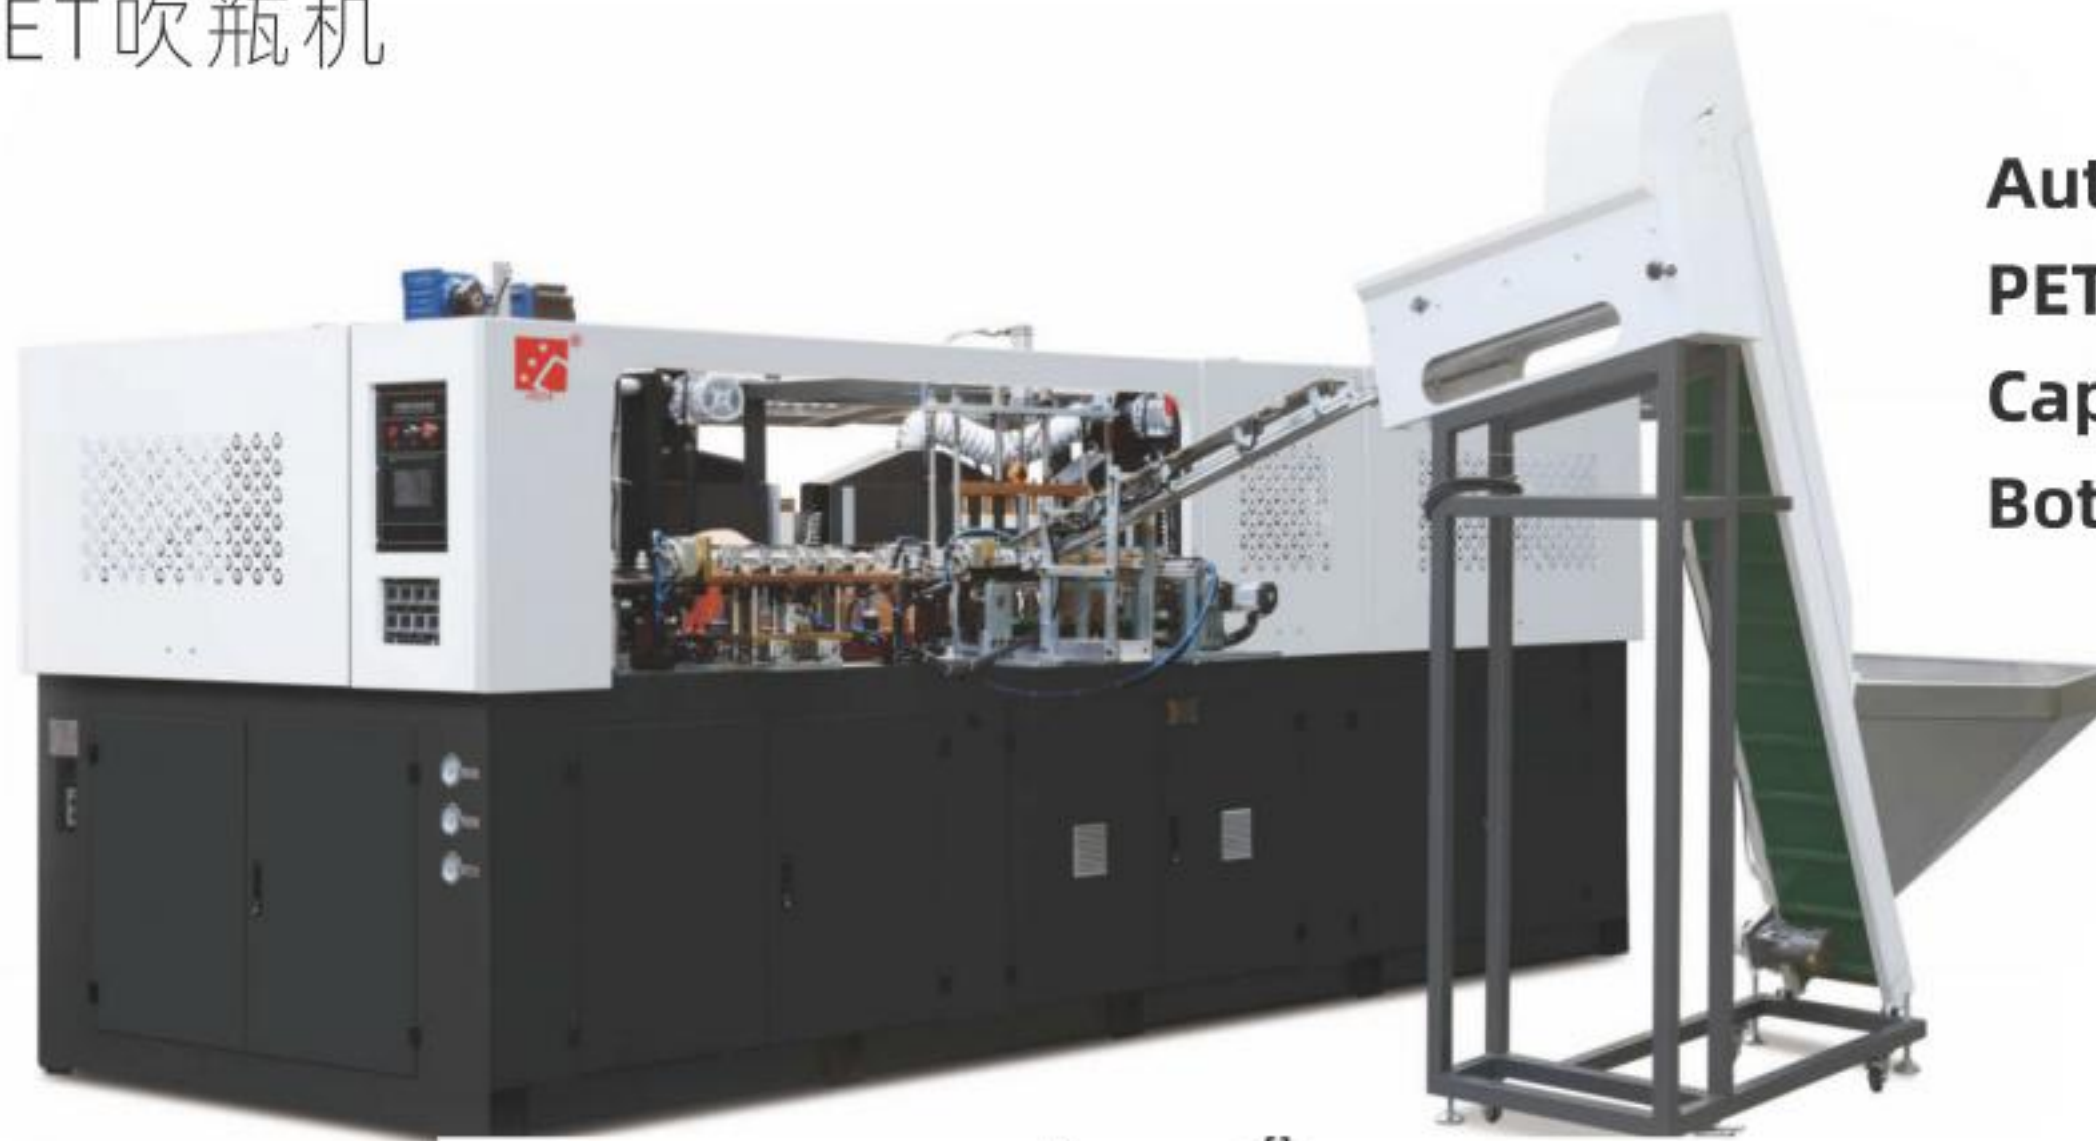

# OUR PRODUCTS

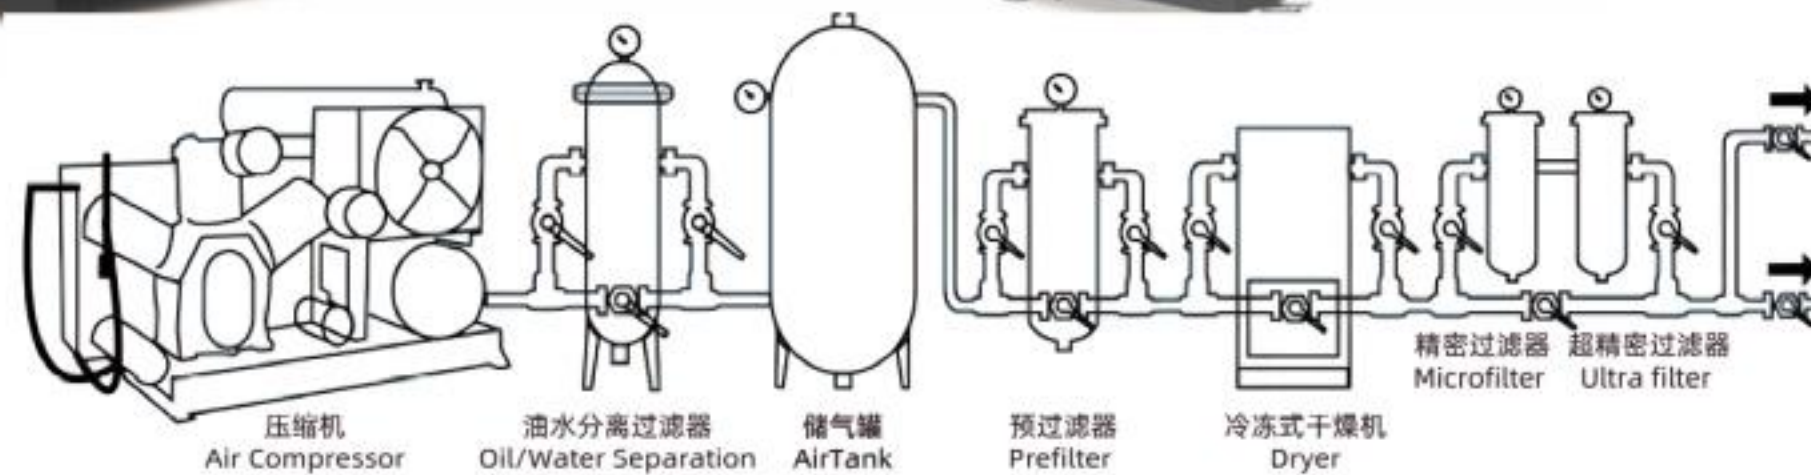

## 产品介绍

### PET Blow Molding Machine

PET吹瓶机

**Automatic/semi-automatic  
PET bottle blowing machine**  
**Capacity: 50-24000BPH**  
**Bottle size: 0.01L-20L**

### Water treatment & Pretreatment system

水处理、预处理、调配系统

Water treatment

CO2 mixer

UHT sterilizer

CIP
